Re: Universal transfer of Kimo's assets to Sauermann Industrie

Dear Sir or Madam,

As part of our drive to simplify our structure, Kimo and Sauermann Industrie are merging to become a single operational entity located in France. All staff will henceforth be employed by a single legal entity. The change will take place by way of a universal transfer of assets from Kimo to Sauermann Industrie.

The transfer will take effect on 4 January 2020. As a result, Sauermann Industrie will automatically replace Kimo in all contracts, agreements and other legal arrangements entered into by Kimo, and will take over all of Kimo's assets, rights and obligations.

Effective from 4 January 2020, please address all correspondence to:
